

Ozonators

TESCON AQUA TECH is a leading Ozonator manufacturers with world class Technology and affordable price. Our Ozonators are made with International Standards and working satisfactorily from last 5 years.

We are manufacturing various ozonator to suit Air, Water & Waste water treatment and purification needs.

APPLICATIONS:

1. Water treatment
2. Sewage treatment
3. Packaged drinking water
4. Swimming pools
5. Textile Effluent treatment
6. Pharmaceutical Industry
7. Food & Beverages
8. Bleaching paper & Pulp
9. Hotel Industry Laundry & Rooms
10. Cooling Towers

TECHNICAL FEATURES:

1. Precision glass dielectric
2. Based on the principle of Corona Discharge
3. Forced Air Electrodes
4. IGBT Inverter technology
5. Short circuit protection
6. High Ozone output

5 Grams Ozonator
